

## PR005 (Recessed)

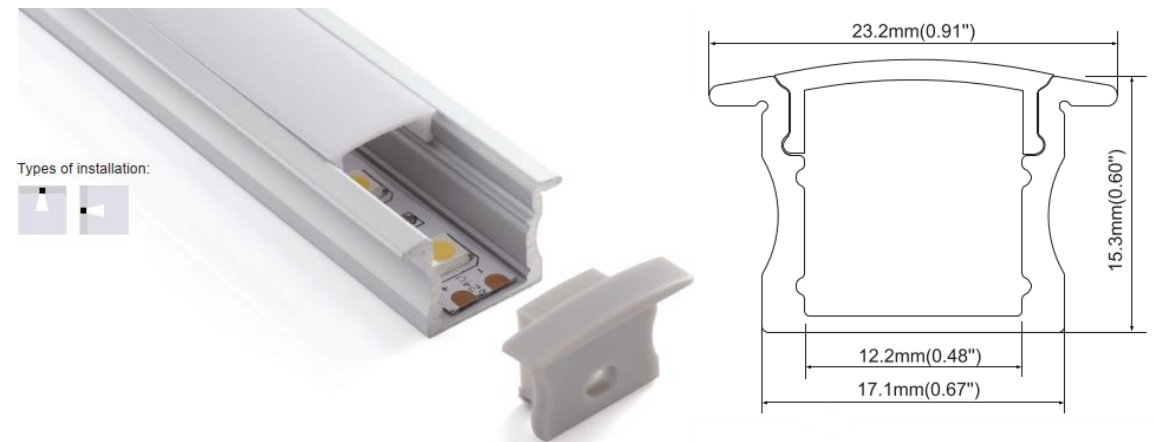

PR005 aluminium profile is a versatile and durable extrusion designed to elevate your LED strip installations. With dimensions of 23.2mm x 15.3mm, this profile is perfect for creating clean, linear lighting designs that blend seamlessly with modern interiors. Crafted from high-quality extruded aluminium, it offers excellent heat dissipation to ensure the longevity and performance of your LED strips.

### Applications:

- ✓ Architectural Lighting
- ✓ Retail Displays
- ✓ Residential Spaces
- ✓ Commercial Projects
