

## PR115 (Trimless Recessed)

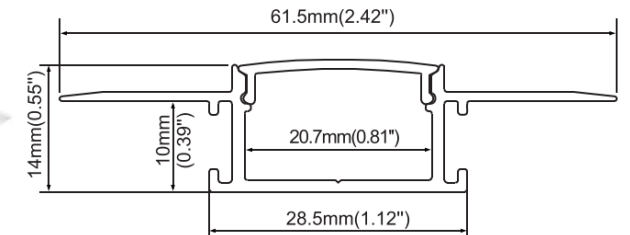

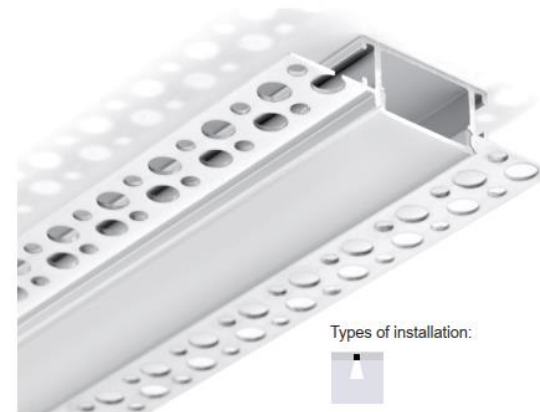

PR115 aluminum profile offers a sleek and refined solution for recessed linear lighting in drywall applications. Designed for seamless integration, this profile is compatible with 12.5mm drywall, ensuring a flush, professional finish. Its 61.5mm x 14mm extruded aluminium construction provides durability, excellent heat dissipation, and a sophisticated aesthetic, making it ideal for contemporary residential and commercial lighting projects.

### Applications:

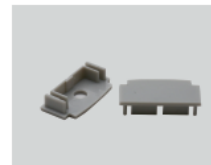

- ✓ Architectural Lighting
- ✓ Retail Displays
- ✓ Residential Spaces
- ✓ Commercial Projects
